

# Host a *Free!* **Noah Shooting Clinic** and you could *Win!* a **Noah INSTANT®**

Noah Basketball offers FREE! Noah Shooting Clinics to U.S. High Schools, colleges and universities.

Clinics are approximately 90-min. in length and offer soup-to-nuts shooting instruction, Noah research findings, shooting time on Noah, and each player receives a Noah Arc Plot.

Clinics are conducted in your gym with your players and parents. There is no obligation or expense when you host a Noah Shooting Clinic -- our goal is to improve shooting at all levels of the game, starting with your players!

Each parent in attendance at your Noah Shooting Clinic receives an entry to win a FREE! Noah Instant for your school.

Call **1.888.879.6624** to schedule your clinic!
